## AGILITY TRIAL

April 22-24, 2022

### TRIAL INFORMATION

The Burlington Obedience Training Club is looking forward to having you with us for our April 2022 Agility Trials at The Field House in Shelburne, Vermont. It should be a fun weekend for humans and dogs. We trust you will find the following information helpful. If you need additional information, please feel free to email us at [Agility@BOTCVT.org](mailto:Agility@BOTCVT.org). If you prefer, you may call Tom's cell phone (802-363-9773) and leave a message (Please be sure to speak slowly, clearly and leave us your name, phone number and the time you called).

Final Confirmation Within the past day you received an email from us with your final trial confirmation information for you and your dog(s). Please review it carefully and let us know right away if there are any errors or discrepancies so we can correct them prior to the Trial.

Friday Schedule **FRIDAY'S TRIAL WILL START AT 10:00 AM.** We hope this gives those of you driving to Vermont the option of driving here on Friday morning!! See the Judging Schedule at the end of this information for the full schedule including Class Briefings and Walk-Thrus.

Friday's Trial running order will be Tall dogs to Small dogs.

#### Saturday / Sunday Schedule

Saturday and Sunday's Trials will start at 8:00 AM each day.  
Saturday's Trial running order will be Small dogs to Tall dogs.  
Sunday's Trial running order will be Tall dogs to Small dogs.

#### Friday - Agility "B" Match

After a hiatus due to Covid, BOTC will be offering a "B" Match at the end of the Trial Day on Friday as part of this weekend's activities. Registration will be done during the day on Friday. More information can be found on BOTC's website: <http://www.botcvt.org/Files/BOTC2022-AG-Apr-Match.pdf>

#### Running Order

The initial Running Order for all 3 days is included at the end of this document. We've tried our best to arrange the order to avoid conflicts and leave as much time as possible between runs of dogs owned by the same handler. But changes do happen so please stay current on the posted gate sheets so you are aware of changes made to the running order and don't miss your run.

## Parking

Please remember that The Field House also houses an athletic club and a bike touring company. The athletic club is fully open for business again and the bike touring company has a full slate of tours that start and end at the Field House. We will reserve some spaces for their clients and we ask that you respect any spaces that are marked for that purpose. We reserve the right to ask you to move your vehicle if you park in the wrong location.

Please recognize that each of us needs the other to keep this a viable site for all of us. If we're all polite, there should be plenty of parking at the trial site.

## RV Parking

Please note that RV parking will change this year. RV's will now park in the north parking area – the area immediately adjacent to the Field House. This is a change from previous years and was a requirement of the Owner of the Field House.

This will require some changes to the patterns that we've all become used to as we expect that the north parking lot will now be shared by the RVs and regular cars/vans. Please watch for signs and respect spaces that have been blocked off in this lot.

The rest of us can now park anywhere in any of the 3 lots. Please don't park on the shoulder of the road or on the grass.

## Set Up

Friday - The building will open at 9:00 AM for exhibitor set up.

We'll be unloading Max 200's equipment and setting up the ring starting at 8:00 AM and could use a hand if you can help.

Please be careful when unpacking your vehicles and crossing the driveway as Friday's are business days and the athletic club can be a busy place in the morning.

Saturday and Sunday - The building will open at 7:00 AM.

## Face Masks

Covid is still with us and the rates are rising again. Face masks must be worn by all BOTC Agility trial competitors, family, friends and spectators whenever indoors at the Field House except when in the agility ring running a dog.

BOTC will have face masks on hand should you need one. BOTC's Covid Guidelines are attached to this document.

## Armbands

Armbands are no longer required by AKC.

## Measuring

All dogs without a jump height card will need to be measured. There will be at least one VMO at the trial on each day. See Tom O'Brien if you need to have a dog measured.

- Those dogs competing without AKC height cards (“temporary” or at least one , yellow “permanent” height card) will need to be measured by the VMO before each dog's first run of the weekend. Please plan to arrive onsite at least 1 hour prior to the start of your class to allow plenty of time for measuring.
- Dogs between 15 and 24 months old only need one measurement and receive a “Temporary” height card that allows them to compete without further measurements until they turn 2 years old.
- Once a dog turns 2 years old, the measuring process starts again but this time each dog must be measured at least twice by two different VMOs or AKC Reps.
- Dogs over two years old that already have the first of the required 2 permanent height card measurements will need to be measured for their second measurement at some time over the weekend. Please check with the VMO to schedule a convenient time.

## Bathrooms

The Field House has restrooms and showers. These are open and available for our use. As we have done in the past, we will re-sign the Men's Restroom as a Unisex Restroom. The Women's Restroom shall remain exclusively Women.

The Town of Shelburne also owns a small restroom building adjacent to the parking lot. This building is not expected to be open this weekend.

## Crating

You have the option of crating from your vehicle or within the designated crating area inside the building. If crating from your car, please don't expand into or block adjacent parking spaces. Crating space within the building has been adequate in the past but we ask that you respect the aisles and that you try to keep your crates and other belongings fairly compact. We ask that X-pens only be used if you are crating multiple dogs.

Please also try to maintain some “Social Distancing” when crating your dogs inside the building. As you will note, trial numbers for this event are about lower than is usual for BOTC's April trial – another byproduct of Covid. However, in the case of the crating area, this means there will be more space than usual. We ask that you use this space to maintain some distance between groups.

## Volunteers

As always, agility trials run because we all volunteer to help. An online volunteer schedule will be posted. The schedule can be found at the following URL:

[https://docs.google.com/spreadsheets/d/1OmyUf2NSF3w9Sl\\_I7oxEWg2Yt2gq49i3ev9xmy9e0\\_s/edit?usp=sharing](https://docs.google.com/spreadsheets/d/1OmyUf2NSF3w9Sl_I7oxEWg2Yt2gq49i3ev9xmy9e0_s/edit?usp=sharing)

To use this link, you can:

- Copy and paste the link into the address line of your web browser, or
- Double click the link above (does not always work), or
- Click on the “Volunteer Schedule” link at the BOTC Website ([www.BOTCvt.org](http://www.BOTCvt.org))

To continue the Covid-safety protocols for this trial:

- Ring crew volunteers will get paid in actual cash for classes worked. Course builders names will be entered in a daily raffle.
- BOTC's Volunteer hospitality operations will be scaled back for this trial. We will provide water for volunteers but snacks, open-served baked goods and other such items will not be available. We apologize for this but pledge to bring these favorites back in the future when Covid-safety protocols relax.

If you have problems accessing the volunteer schedule, there is additional help on the “Events/Trials” page of BOTC's website ([www.BOTCvt.org](http://www.BOTCvt.org)).

## Food

### **There will not be a food vendor onsite.**

- There are a number of small restaurants and take-out locations in Shelburne Village. BOTC will have information available about these locations.

Food is not allowed on the artificial turf areas of The Field House. There is seating/eating area on the Mezzanine overlooking the Trial Area and there is some additional seating on the main level of the Field House building.

## Course Maps

As has been the normal process for most agility trials over the past year, daily course maps for handlers will not be printed.

Copies will posted at the Field House each day.

At approximately 12:30 am each night, course maps for the following day's classes will be posted for downloading as a single PDF file at the following website:

# COVID PROTOCOLS

FOR THE

BURLINGTON OBEDIENCE TRAINING CLUB'S

## April 2022 Agility Trials

Friday, April 22, 2022 thru Sunday April 24, 2022

Shelburne Field House 166 Athletic Drive Shelburne, Vermont

The Burlington Obedience Training Club is pleased to be able to hold its annual April agility trials this year after having had to cancel all of our April 2020 and 2021 Agility Trials due to the Covid-19 pandemic. With the increasing rates of vaccinations and the dropping Covid case rates, the State of Vermont has been steadily relaxing its Covid rules and safety protocols. That relaxation is the reason BOTC will be able to offer its April Agility Trials.

Vermont has long since met our Governor's 2021 goal having 80% of its population receiving at least the first shot of the Covid vaccine. While Vermont is consistently at or near the top of national rankings in terms of vaccination rates and our caseloads are consistently some of the lowest in the Country, Covid-19 is still present and Vermonters of all ages continue to be at risk. For more info, feel free to check the Vermont Department of Health's Covid-19 dashboard (<https://www.healthvermont.gov/covid-19>)

What does this mean for BOTC?

In broad terms, we'll be able to operate our trials in a manner quite similar to our normal practices. However, we will need to respect the lessons Vermonters have learned from the pandemic and balance our enthusiasm for the event with an appropriate degree of caution out of respect for the Covid-19 virus, its new variants, the recent rising infections rates – nationally and here in Vermont - and concern for our friends and fellow agility enthusiasts.

To that end, following are the Covid guidelines that BOTC will be following over the 3-day trial period.

**BOTC will operate the trial in as "normal" a fashion as we can ..... BUT:**

1. All attendees at the trial - whether competitors, BOTC club members, friends or the public will be required to wear masks when inside the building except when actually running a dog in the competition ring.
3. BOTC will have some other Covid-specific practices in place for the trial period. Generally, these practices relate to the small details of the trial day such as distribution of course maps, managing gate sheet check in and distributing Q and placement ribbons.
4. While BOTC – as a Club – believes that vaccinations are safe and effective, we will not require that you show us proof of vaccination. We believe our "mandatory mask" protocol takes care of the issue of the State's limits on vaccinated and unvaccinated people being together.
5. Here are a few of the specific practices that have been missing from agility trials this past year we think we'll be able to do:
  - A. Crating - Indoor crating will be allowed in the building. As we've done in the past, BOTC will mark out crating areas on the floor. You may crate with in your "group" if you've travelled together but we ask that you try to maintain some distance between you and the next person's area.
  - B. Spectators – Spectators – both our fellow competitors as well as the public – will be allowed into the building to watch the event but they will need to be masked and we ask you to try to maintain some separation.
6. Other Covid Practices will include:
  - A. Onsite Food Vendor – We will not have an onsite food vendor. You are welcome to bring your own refreshments and may eat them in the Mezzanine area. As usual, such food/drink will not be allowed on the indoor athletic fields.
  - B. Vendors - We will be allowing vendors at the trial. Those located within the building will follow the Covid protocols, including wearing masks.
  - C. Course Maps – Course maps will be distributed via BOTC's Website and Facebook page at approximately midnight (12:01 am) the night before each trial.

D. Volunteers

- An online volunteer schedule will be available to sign up to work classes. Volunteers will be paid in cash to reduce the handling of "tickets".
- There will be a few special raffles each day for workers and a daily "No Q" raffle but the entries will be handled sparingly.
- BOTC will provide water, soft drinks and packaged snacks for volunteers but open snacks have been eliminated for this trial.

E. Outdoor Rules and Covid Protocols - For practical purposes, BOTC's Covid protocols will only apply when you are inside the Field House building. Once outside, you must abide by the State of Vermont's Covid rules and regulations. If you've been vaccinated, this means there are very few restrictions and most of them are your burden to comply with. If you've not been vaccinated, this means you should be masked and practicing social distancing at all times when on the Field House site and within the building.

F. Restrooms – Building restrooms will be open to your use. As they are single occupancy, we ask that you respect that including the waiting area outside the Women's Restroom.

7. We'll continue to monitor the Covid-19 situation as the trial dates approach and make changes to our Covid protocols as required by the State of Vermont, the Federal Government and the Town of Shelburne. We'll communicate those changes to you as they may occur and ask that you check your email and the BOTC website ([www.BOTCvt.org](http://www.BOTCvt.org)) for such information.
